	Many schools do not have the things students need to learn. Some schools do not have money to build classrooms. They learn outside. And some schools do not have a lot of space. Classrooms can have 60 or more students in one room. That's a lot of students! Supplies Needed Students need basic school supplies such as paper, pencils, and books to do their work. If students do not have the supplies they need, it makes it hard to learn. When students do not have supplies, they sometimes do not go to school.			

2-1	Many schools around the world need supplies like these: • tables and chairs • pencils and paper • books • chalkboards or whiteboards • art supplies like paint and colored pencils • scissors and glue • computers {Wrap up} 1. 	Fundraiser Flyer People or groups try to help schools get what they need by fundraising, or asking people or businesses to give money to schools. Fundraisers often make fivers or posters that explain what the schools need and why. Make a flyer that explains why you need people's help to raise money for schools to buy supplies. Step 1: Brainstorm What are some common supplies schools need? Why do schools need supplies? How can people help schools get more supplies? How can you decorate your flyer to get people to notice it and give money? With a do subject to notice it and give money? When do schools need supplies? How can people help with the problem? What do they need help? Why do schools help? Why do they need help? What do they need? How can people help with the problem?
